Meet the Candidates – General Election 2008

To encourage the ethnic community actively participate in the forthcoming general election, the Waitakere Ethnic Board has invited leaders of all political parties, all candidates within the Waitakere City, as well as ethnic candidates from each party, to come to meet with the voters, in particular those from the ethnic community.

This is a good opportunity for everyone to meet with candidates face to face, ask questions that are of concern or interest to you, and questions about each party's policy.

Since the last election, the ethnic community has seen a large population increase. Many diverse communities have not taken part or enrolled in elections in their own countries, and are keen to take this opportunity to elect the party of their choice. This is also an opportunity for political parties and candidates to know more about the needs and concerns of the diverse ethnic community of Waitakere City. .

An officer from the electoral office will be also on site to explain how the voting system works and answer related questions.

All are welcome.
